

Submitter: Kyle Chase

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB2977

Please consider my support for this bill. We will need to take some measures to protect wildlife and the environment as our current administration deprioritizes these issues. Their current stance leads me to believe they would like to weaken these areas to continue their push towards privatization and their attempt to redraw areas that are public land.
