

Submitter: Cynthia Fuhrman

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HR3

Our state has a history of exclusion and erasure of Black and Native peoples, and their culture and history. Honoring an enduring art form that Black performers in Oregon have such a long history with will be one more significant way we can acknowledge our past errors, celebrate a bright part of Black history in Oregon, and honor those who continue the tradition and art form today. I urge you to support this bill.
