

Submitter: Anna Munson

On Behalf Of:

Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment or Topic: SB641

I Strongly Support SB 641 that stops any foreign entities from buying or renting property in Oregon. China has already bought farmland and other properties in the U.S. because we have allowed it, to our own detriment.

This Must Stop! This land is America and needs to be for the benefit of American citizens. Not for the benefit of a foreign adversarial power or person. We need to insure that our agricultural lands benefits us, who are willing to work and defend it for the good of all our citizens.

Please pass SB 641 for the benefit of the American People.

Respectfully,
Anna Munson
