

Submitter: Nancy Knowles

On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: SB604

Summer Bridge is a phenomenal means of helping students new to Eastern Oregon University connect their home cultures with rural and frontier rural communities. They acquire the cultural capital necessary for success in college, but more importantly, they see themselves as capable of valuable contributions to campus and community life. Many Summer Bridge students go on to be campus and community leaders who serve with vision and voice.
