Measure, Appointment or Topic: HB2977

Dear Sirs, I support HB 2977, which could increase the tourist tax from 1.5% to 2.5% to support wildlife. Other than the fact that I love wildlife, I think this is a good investment for the state because wildlife is such an important aspect of our tourism economy. It's thrilling to be kayaking or rafting down a river and see a blue heron in a tree as you pass, or see peregrine falcons fishing. Or to see deer in a meadow. I hope you will support this bill.

Sincerely,
Karon Johnson
