Measure, Appointment or Topic: HB2698

As a small residential developer I urge your support of HB 2698, which establishes a statewide goal for homeownership.

Homeownership is a priority for the majority of Oregonians. It is a time-tested means of building generational wealth and a reliable way to improve racial and economic equity. As Oregon strives to significantly increase housing production, a statewide homeownership goal will keep housing and homeownership top of mind for decision-makers at all levels of government.
