

Submitter: Michael Brainard

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB208

2023-2024, the Oregon Legislature worked to lure superconductor companies to Oregon. It didn't go well because Oregon is business-unfriendly. Oregon needs to find a way to diversify its economy, and this is one way Oregon can become a leader in another form of agriculture. I encourage you to support this bill so Oregon can work towards new jobs in Oregon.
