

Submitter: Russell Kelban

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2977

As a long time owner of a short term rental home, I oppose this legislation. My guest bring significant income to the local economy. Local businesses consistently express their appreciation for bringing tourists to town for significant business. If rates continue to rise, such as this, I (along with others) will consider moving our investment to friendlier governments.
