I'm writing to oppose this increase in TLT at the state level. I own a Short Term Rental in Tillamook County and we are seeing a drop in overall bookings. In addition to this proposed State level increase, Tillamook County is pushing forward a 4% county wide increase that will appear on the May ballot. If both these increase pass- I'd be charging my guests 15% TLT. Guests have choice on where they travel and added tax will influence their decisions.

I would urge you to reconsider raising this State wide tax.
