Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or Topic: HB2977

HB 2977 is a tax increase we don't need. EcoNorthwest economist already agrees we are either in or on the edge of a doom spiral in the Metro area. The state isn't doing much better. Our Schools are failing and money is needed elsewhere. We have too many taxes already. We need cuts or relocation of existing resources to fund this. Not more taxes.
