

Submitter: Jonathan Aispuro

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB3435

No cost breakfast and lunch should be available to any public school student in the state. This will ensure that schools have the funding and equipment to increasingly serve scratch-cooked meals. It is important that the stigma of schools meals is eliminated and low income students are no longer targeted. This bill will also ensure that student meal debt is forgiven.
