

Submitter: Megan Gaddini

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB3435

No student in Oregon should go hungry, especially during these unprecedented and unknowing times. Free school lunches has helped my family greatly. My husband is going through a tough few years of work in the film industry and it's not getting better. I'm thankful for free school lunches to help us save money and to put that money towards other bills. Please keep this going.
