

Submitter: Lisa Frangente

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB427

I strongly urge you to support this important bill.

I was shocked to learn that there are no environmental impact considerations when there is a potential for water extraction from our rivers and streams.

Please take action on this critical bill.

Thank you and I support all of your efforts to keep our natural habitats and wildlife safe.
