NO NEW TAXES NO INCREASED TAXES

Oregon needs to be audited, there is more than enough funds coming in already to make budget!!

Government over reach is exploding in Oregon!! NO MORE!! Tillamook county is already trying to increase STR taxes by 50% increase!! And now the state wants to double its tax too!! Unacceptable, you are taxing its citizens into poverty. As a STR employee, 80 to 90% of our coastal stays are from Oregonians, not out of state!! So you are wanting to tax our income, tax our properties, increase county taxes and state taxes by 50% OR MORE in the same year! People can barely afford to stay at home let alone take a small vacation! This would have a massive negative affect on the coast tourism, which is still trying to recover from your covid blunders and moronic shut downs!! Many of our employees and other STR employees are still struggling to recover from that and now another additional tax which will drive down rentals yet again and we loose hours!! Even one less visitor affects 2 to 4 workers in the county!! STOP TAXING PEOPLE INTO OBLIVIAN AND STRAIGHTEN OUT YOUR BUDGETS!!! We as working, tax paying citizens have had enough!!
