On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB680

I am writing in support of SB 680 because, as an American, I believe in free and democratic commerce. American consumers deserve to fair and accurate information about the products they buy. Woke corporations must not be allowed to swindle and hoodwink their customers with lies about their usage of natural resources. For the Oregon government to permit the use of misinformation in advertising is equivalent to state-sponsored brainwashing by unpatriotic forces. FREE AMERICAN CONSUMERS FROM WOKE GREENWASHING!!!
