

Submitter: Tabatha Johnson

On Behalf Of:

Committee: Senate Committee On Early Childhood and Behavioral Health

Measure, Appointment or Topic: SB779

I'm Tabatha Johnson. Owner of a small production ranch and member of the Tri-County Cattle Women. This program has been an asset to the agriculture community and continues to gain support as it grows and needs to continue to do so. I encourage others to support this bill as the mental health crisis is a major issue.
