Measure, Appointment or Topic: HB2977

Please raise the State Tourism Tax so that our wonderful visitors can help us to pay for the protections of wildlife, which is one of the main reasons people come here to vacation.

This would be helpful to visitors and residents alike, and it won't add too much to the burden of paying for lodging.

In this day of the country's fascist takeover from Trump and Musk, please allow for increased funding of the protections for wildlife.
