

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 3336
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB3336

I OPPOSE [HB 3336]. The VOTERS should decide the fate of [HB 3336] and [HB 3628].

***[HB 3336] lacks detailed information in, "SECTION 1, SECTION 2, and SECTION 3" and as such becomes objectionable due to [HB 3336] being vague and ambiguous.

***Is the necessity of both [HB 3336] and [HB 3628] to prepare for the construction of the Governor's [36,000] homes per year utopian wish?

***Is [HB 3336] and [HB 3628] requirements for: [HB 2656], [HB 2038], [HB 2410],[HB 2065] and [HB 2066] to facilitate and enable the development of [36,000] homes per year?

David S. Wall
Mr. Oregon Concurs.
