

Submitter: Shantel Schroeder

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3573

No, just NO!! This is putting Oregonians at risk for higher fees for a basic necessity-water. Oregonians are already struggling yo stay afloat with rising costs in all aspects, including power, which have gotten steep increases recently. Please leave our water alone. Please do not add unintended burden to Oregonians.

I oppose this bill and I hope you will reconsider and not allow this out of committee.
