Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB3573

I am amazed at the overreach of this State. This is unbelievable. I am in no way in favor of the infringement of any kind of people's privacy and water /land use rights. This comes straight out of the UN and their wanting to catalogue all people /property, assets and resources in the world. This is a no go, no way, period.

Thank you  
Dianna
