

Submitter: Jennifer Johnson  
On Behalf Of: citizens near Coffin Butte Landfill  
Committee: Senate Committee On Energy and Environment  
Measure, Appointment or Topic: SB726

Please record my **STRONG SUPPORT** for SB726. Coffin Butte landfill should be a good neighbor to all of us and do the work of monitoring for all our health and safety. And transparency in what is found and what is done about problems identified is the decent thing to do.

Please do the right thing and pass this bill.
