Measure, Appointment or Topic: HB2995

I am in favor of establishing a Task Force on Reparations and encourage Oregon lawmakers to not only create a task force, but then follow through with reparations for Oregonians of African-American descent. Reparations are long overdue and this subject needs to be addressed and put into law/action. As a state, we have the opportunity to send a message to the rest of the country and the entire world that we recognize the crimes and atrocities done to Oregonians of African-American descent. Please support this bill.

Thanks!
