

Submitter: Josh Lisenby

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3573

To Representatives Owens and Helm,

I am in opposition of HB 3573. OWRD already has sufficient means to monitor and study groundwater and surface water use. This is just another tactic for them to procure more money to justify their existence and put more and more control on the citizens of this state.
