

Submitter: Elaine LAVINGTON

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2342

I write this in opposition to HB 2342. Currently fees to obtain a license, tag, and permit are high and difficult for individuals on a fixed income and for those trying to make ends meet as they try to subsidize their food needs for themselves and their family. This will be very harmful to the fishing industry if these fees are imposed.
