

Submitter: Karen Dady

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3573

To whom it may concern,

As a citizen of rural Oregon, I strongly oppose this bill and any measure that interferes with my water rights. I have already paid to dig and maintain my well.

Those costs are not inexpensive. I feel any interference by the state to meter the use of my water is nothing more than a money grab by an already unstable government.

Thank you,

Karen Dady
