

Submitter: Cyndi Kraft
On Behalf Of: Corvallis
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: SB726

Landfill aka dump are a sad necessity for any society. That said, keeping the environment and air as clean and palatable for surrounding areas is extremely important. People must be able to go about their daily lives in peace. Perhaps the requirement of landfill owners and operators must live within a quarter mile of the operation may help.
