

Submitter: Philip Duyck

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3573

If the State wants to tax me for use of my well I want reimbursement for my investment. Further if the State wants to charge me for use of the water then the State becomes my provider of water and is responsible for the care and maintenance of my personal water system like the municipal water suppliers. I strongly disagree with this measure.
