

Submitter: Kathy Becker-Blease

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB909

Children with mental illness cannot wait for the Home and Community Based Services they are entitled to. It is important this is available regardless of parent income, on par with other children with similar needs. Doing so supports children and parents, keeping children at home and parents in the workforce, benefiting OR economy and saving costs over time.
