

Submitter: Beth Fuller

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment HB2995
or Topic:

Oregon has a long history of racism. It's well past time for us to make reparations for the generational harm, loss of financial mobility, opportunities, and safety. From gentrification to bad policies to the catastrophe at vanport. We are better together. While reparations do not fix the generational trauma, they are the right start.
