Measure, Appointment or  
Topic: SB427

Dear Chair Golden, Vice Chair Nash, and Members of the Committee,

I am writing to encourage you to support SB 427 to ensure that Oregon's streams and rivers have the necessary streamflow to ensure that salmon and other water dependent species have what they need to not only thrive but to survive. This action will demonstrate that you support the kind of environmental values that make Oregon so special.

Sincerely,

Rand Schenck
