Measure, Appointment or Topic: HB2977

Please support HB 2977 to increase the transient lodging tax in support of protecting Oregon's wildlife and the ecosystems upon which they depend. During this era of unprecedented species loss, it is essential that lawmakers do everything in their power to halt the desecration of the very nature upon which all life depends. Please support the recovery of Oregon's fish, wildlife, insects, birds, and bees and all 294 at risk 'species of greatest conservation need.'
