

Submitter: Monique Bochsler

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB218

To whom it may concern,

I am writing in support of SB 218. As a Oregonian I feel it it our duty to see the impact we are making with the implementation of this energy. I find it highly concerning that this was not done before we started talking about implementing these things. Let alone after the fact.

I fully support.

Sincerely,

Monique Bochsler
