Measure, Appointment or Topic: SB427

Dear Chair Golden, Vice Chair Nash, and Members of the Committee,

I support Senate Bill 427 to safeguard streamflows in water right transfers. Senate Bill 427 safeguards our streams—and the fish, water quality, and scenic values they support—by ensuring voluntary water right changes won't further diminish streamflows. This narrow fix closes a dangerous loophole and brings modern environmental values into Oregon's outdated water right transfer review process.

I urge your support of SB 427 and the life-sustaining streamflows it will safeguard.

Sincerely,
Susan Tone
