

WRITTEN TESTIMONY

HB 2995

February 25, 2025

Public Hearing
Oregon Legislature

I am writing to you in favor of establishing a Task Force on Reparations. I am asking you to direct the task force to study and develop proposals for financial and nonfinancial reparations for Oregonians of African-American descent, develop appropriate methods for educating the public about the task force's findings and recommend appropriate remedies based on the task force's findings.
