

Submitter: Nic Petersen

On Behalf Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB2995

While I am not Black, as a lifelong Oregonian I highly support this effort to create reparations for Black Oregonians. This state has been a hub of white supremacy since its inception, and this effort to provide reparations to Black Oregonians is a welcome step towards justice and a more equitable future. I will happily pay increased taxes if it means a step towards equity.
