

Submitter: Mindy Garlington  
On Behalf Of: Self  
Committee: Senate Committee On Judiciary  
Measure, Appointment or Topic: SB176

I am 100% against SB 176. Safety for the majority should always outweigh the pleasure of a few. Safety in the workforce is already a full time job, why would our lawmakers want to make it any harder. Industrial, outdoor, ANY medical facility and so many more deserve a safe workspace, vote NO!  
Impaired workers are impaired, period!
