On Behalf Of:

Committee: Senate Committee On Veterans, Emergency
Management, Federal and World Affairs

Measure, Appointment SB641
or Topic:

I am writing on behalf of my daughter who is 12. She would like me to share her testimony.

To whom it may concern,

My name is Hazel Bochsler and I support SB 641. This legislation will stop China and Chinese companies from buying farmland in Oregon. I think it's good because it is land and China doesn't need it. I think Americans should own American land. I think this legislation is good and I think we should pass it thru. This will protect Oregon in 2025.

Sincerely,
Hazel Bochsler.
