

Submitter: Monique Bochsler

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB61

My name is Monique Bochsler,

As an Oregonian and a PCP of precinct 56, I'm writing in support of SB 61. I am expressing my strong support for this measure. Medicaid clawbacks could discourage private practice clinicians from accepting public insurance, ultimately restricting access to affordable healthcare resources. These clawbacks undermine the financial stability of practitioners, affecting their capacity to remain available as healthcare providers. Additionally, it is crucial that providers are not penalized based on inadequate or unrepresentative data.

Thanks you for your time

Sincerely,

Monique Bochsler
