Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2995

Please stop the misuse of our taxes. Stop trying to separate the races. Not one life long Oregonian owned a slave, not one life long Oregonian should be forced to pay for something that they didn't do. Not one life long Oregonian, alive today was a slave. This will cause so much racism and hatred towards our government by most, if not all low income families.
