This bill should pass . No foreign country should be able to own land in our state or country . Especially are foreign enemies that do not believe in America and what we are founded on. We are not allowed to own farm land in there country so why is it okay for them to own land here when they do not have any loyalty or best Interest for Oregonians or America . This should be a no brainer and take back our land from China and other countries and let Americans and Oregonians own our state land .
