

Submitter: Ellen Nieminen

On Behalf Of:

Committee: House Committee On Emergency Management, General Government, and Veterans

Measure, Appointment or Topic: HB2995

We are past the time for reparations. The time for that was when slaves were freed after the civil war. How can you logically put a price on a persons life now?

They worked, raised a family and their children grew up and did the same. Are you buying into the idea we owe generations something for being born?

Where does it stop?
