

Submitter: Andrew Simrin
On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB985

We do not need to be increasing the payout/multiplier for livestock loss or injury from wolves when the payout does not preclude/exclude the killing of wolves. If a payout is to be made, then the wolf should not be at risk of being killed during or after the "incident". We need to benefit wolf populations and surrounding communities.
