

Submitter: Alice Shapiro

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB2410

This is a deceptive work around to an initiative that was passed by Oregon voters in 1980 that forbade ANY nuclear energy facilities to be constructed in Oregon. This bill does not allow all Oregonians to have a voice--it is only to be voted on by residents of Umatilla county. Do not allow this to happen!
