Measure, Appointment or Topic: HB2995

My name is Jennifer and I live in North Portland, Arbor Lodge. I support HB 2995 to uplift a reparation's task force bill. Working on a local project and hearing people's stories for years, Oregonians of African American descent have made Oregon what it is today. And continue to be resilient strong voices. Investing in HB 2995 community, provides support and opportunities for black communities. I urge you to vote in favor of this important measure
