Measure, Appointment or Topic: HB3194

3194 legislative Bill:

WE the Farmers already pay for our Water to to irrigate our crops. we irrigate so you can sit at your table to eat with a nice glass of water and you delicious meal.

REMEMBER ((NO WATER, NO FOOD)) WE work hard already trying to make ends meet. You know, NUCLEAR PLANTS take water to keep cool! We farmers don't waste any water if we can help it.
