

Submitter: Mizan Gaillard

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2995

Black Oregonians continue to suffer the consequences of, or thrive despite, historic (and persistent) inequities in nearly all facets of life. Reparations, financial or otherwise, would help rectify these inequities. I urge you to support this bill and support justice and equity in housing, health, and more for Black Oregonians and set a good example for the nation in so doing.
