History teaches us that every race and culture have owned slaves. No race needs to be taught that they are victims and lesser than because their ancestors were once slaves. That atrocity is true of EVERY race.

How will you calculate reparations for mixed race African Americans? Exactly how African American do you need to be to receive the money stolen from the pockets of your fellow Oregonians of every other race?

Oregon legislators, do you really believe that the ANY Oregonians, INCLUDING African Americans, want to cause racial division in our state with legislation that mandates one race pick the pocket of all the others for the sins our fathers when their fathers were also sinners?

Enough Already.
