

Submitter: Connie Peabody

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2977

As a rural Oregonian my family and I have seen a decline in wildlife, specifically the Cackling geese. Just a couple of years ago we counted over 400 geese flying in on our property. We no longer see these high numbers. We support this bill if it means funding of programs to benefit our native wildlife. Please vote in favor of this bill.
