

Submitter: David Wall  
On Behalf Of: Mr Oregon OPPOSES HB 3079  
Committee: House Committee On Early Childhood and Human Services  
Measure, Appointment or Topic: HB3079

I OPPOSE [HB 3079]. What is the total indebtedness of, The Housing and Community Services Department?

[HB 3079] is yet another, in a series of well intended Legislation that doesn't stand a prayer's chance in Hell.

[HB 3079] does not have any discussion for 'Funding and or Funding Sources.'

From the TEXT of [HB 3079], "... SECTION 2. The Department of Human Services and the Housing and Community Services Department, toward reducing the number of youth aging into adult homelessness, including through funding for youth programs and programs addressing the needs of families with youth under 25 years of age..."

From the TEXT of [HB 3079], "... shall study options for allocating 30 percent of their respective budgets attributable to funding for housing and homelessness services in the biennium beginning July 1, 2027..."

\*\*\*This is euphoric, illusory blather. Both The Department of Human Services and The Housing and Community Services Departments may not even be in existence in two years. Or, at least not in their current forms. Both Departments have significant reliance on Federal Funding.

\*\*\*Federal Money may be drying up to pay-off our National Debt of [\$36 Trillion dollars].

\*\*\*Will Elon and the DOGE Brothers analyze Federal Dollars allocated to Oregon?

\*\*\*[HB 3079] is trying to address a serious need in Oregon but it is unrealistic.

\*\*\*What is needed for certain age groups of Homeless peoples, is the activation of the Selective Service System, the Civilian Conservation Corps (CCC) and the Works Progress Administration (WPA).

Mr. Oregon Concurs and says, "Oregon could lead the way for the CCC and WPA."
