Management, Federal and World Affairs

Measure, Appointment or Topic: SB667

I am wife of a 100% disabled Veteran. I am writing to support SB667.

This bill requires the Congress to do their duty when we ask our State National Guard to fight on foreign soil. It is clearly written in the Constitution how wars are to be entered into as the United States of America. Sending our soldiers to fight without a declaration of war has led us into a mire of continuous conflicts. Our sons and daughters lives are a precious resource. We no longer want to squander them away without cause or reason.

I request your support to pass SB667.

Respectfully submitted,

Anna Munson
